Free  Cycle™

Join FreeSite today and be a part of something big!
The convenient way to find free cars, clothing, household items, and more!

Free  Cycle™ is a way that we can all help the environment and help others at the same time. Too many times we take for granted the value of the things we throw away or abandon. Sometimes that old chair sitting in the basement can mean an extra seat at a soup kitchen and the dress you had for 5 years hanging in the closet could mean a new outfit for someone else.

We all throw stuff away some time or the other, why not put it to good use and make a difference at the same time. This is where Free  Cycle™ comes in. We gather donated items that are in good and reusable conditions and list them on our website.

We are a non profit organization that will pick up donated items from any location free of charge. (Item must be packaged and ship ready).

All donations will be tax deductible.

Free  Cycle™ will be providing the public with a place to access all donated items where they will be able to browse through an get free reusable items
